**SERVICES FOR UMTPLUS AND UMTAUDIT**

Our team of industry experts are always available to help your organization in whatever way you need.

**UMT SaaS (Software as a Service)**

Our software can now be set up as an online service for your company to use anywhere anytime from an online portal. UMT SaaS must be used on a PC that has a constant internet connection. Start up fees per company are \$500 + \$25 per user. The online portal can include MS Office for an additional \$16/month/user or MS Office professional for \$21/month/user.

**TRAINING ON THE SOFTWARE:**

Comprehensive online training demos and PDF manuals are included with your purchase. However, we can also provide customized training services for your team. Training sessions can be in person\* or online offered at a rate of \$200/hour or \$1500/day.

\*If required, travel, Hotel and per diem expenses related to travel are not included.

**CONFIGURATION SERVICES:**

Our software programs are designed so that you can easily program your own configurations the way you want. If however you would prefer to have us do it for you, we will manage all of the programming so that you can have a turnkey solution that is customized just for you.

Pricing below is based upon questions/ elements being sent to us in either word or excel format.

**Programming fees per question/element:**

\$15 per question or element

+ \$5 per question or element for excel exportation settings

**START YOUR FREE 30 DAY TRIAL of UMTPLUS AND UMTAUDIT TODAY SIGN UP NOW !**

## Volume Discounts to configure larger studies:

Amount of total questions element	Price per question /element
